

The SCENE 1 series is compact, versatile, superior in quality and design. There are round and square lighting inserts available which can be configured in one, two or three lamp options. Scene 1 is the ideal luminaire series for superior lighting design applications.

SCENE 1 SYSTEM Luminaire

- ceiling installation without tools
- material: aluminium die-cast
- lighting inserts and power supply units ordered separately
- round light head rotates 350° and pivots 25°
- square light head pivots out through 30°
- lighting inserts can be displaced 4 x 90° in recessed frame

Family	Wattage / Lumens			Module		Color temp		Beam		Finish		Driver		CRI		Input voltage
