

TWO TONE STEM LAMP SERIES

Stemmed body fixture for wall mount. Stem is color mesh work

IP20

Elegant wall sconce featuring a refined chrome and multiple finish options paired with an off-white chintz shade. Designed to provide soft, comfortable illumination, with an optional integrated LED reading light for added functionality, which makes it an ideal choice for hospitality, guest rooms, and sophisticated interior spaces.

120V
*Supplied with single gang wall plate
