The simple but effective die-cast LED recessed downlight series. CSA 60 LED recessed luminaires meet the highest demands on energy efficiency and economy, and can be used for a wide variety of lighting tasks. With the newly developed PRI-Plus mirror optics from LTS an optimum of light yield and glare-free is achieved.

# CSALP 60 Luminaire

CSALP 60

Family	Model / Wattage / Lumens			Color temp		Beam		Finish		Driver		CRI	Input voltage	
<b>CSALP 60</b>
