Sculptural LED Pendant **IP20**

Designed as both a light source and a decorative centerpiece, this oversized pendant brings a soft, sculptural presence to contemporary interiors. Its 60W integrated LED produces 4,800 lumens at 3000K, delivering warm, generous illumination across larger spaces. In circular white metal body is paired with a plastic diffuser for a smooth lighting effect, making it especially suited for dining areas, lounges, reception spaces, and other statement installations. Supplied with integrated constant current driver.
