Downito 110. A new LED down light multi-power (16 W to 32 W), perfect for general and ambient outdoor lighting of retail applications. The design of its active 40° and 70° reflectors, designed by Bartenbach GmbH, allows us to distribute light with unique precision and high performance up to 110 lm/W. Furthermore, this LED downlight offers the possibility of combine 4 types of passive reflectors in different finishes; white, black, aluminum and gold. Design, precision and high performance, the perfect combination for the success of your lighting project.
