2x6W Outdoor Up & Down LED Wall Light

IP54

Slim architectural LED wall light featuring an up-and-down beam for a refined decorative lighting effect. Equipped with 2 × 6W integrated Cree COB LEDs, it delivers 2 × 400 lumens at 3000K. Its durable die-cast construction, clean white finish, and IP54 protection make it a reliable solution for modern outdoor architectural applications. Supplied with integrated constant current driver.
