Outdoor LED Bollard Light

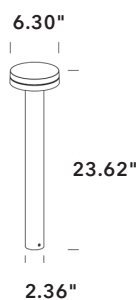

IP65

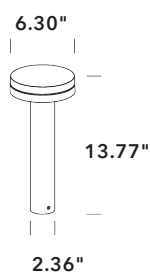

Modern outdoor LED bollard designed to provide uniform, wide-reaching illumination for pathways, gardens, and landscape applications. Featuring 4 CCT Switch technology with selectable 2200K, 2700K, 3200K, and 4000K color temperatures, a 90° light distribution, and durable aluminum construction, it combines lighting flexibility with IP65 weather protection and IK08 impact resistance.

MC2.7012.

MC2.7011.

Universal 120V-277V
Material: Aluminium

Select each option below
