

HONEY

Honeycomb Dark Light LED Downlights

IP20

Recessed LED downlight family featuring a honeycomb Dark Light design for enhanced visual comfort and reduced glare. Available in multiple wattages and lumen outputs, the series features selectable 3000K, 3500K, and 4000K color temperatures, CRI 90, and a 36° beam angle. Constructed from aluminum with an IP20 rating, this versatile family provides a clean, consistent lighting solution for a wide range of indoor applications. Supplied with remote constant current driver.

Universal 120V-277V
Material: Aluminium
